WORK EXPERIENCE

Florist and Fruit Arrangement Artist

2023 — Present

Ambrosia, Fresh Market | Dubai, UAE

- Design custom and bespoke bouquets for walk-in and phone customers, matching flower type, colour and size to the occasion and budget.
- Create fruit arrangements and fruit gift baskets for store display and customer orders.
- Build large signature centrepieces that combine a full floral composition with a fresh-fruit base and a hand-carved watermelon focal piece.
- Select and inspect flowers by freshness, season and appearance to keep displays sellable and reduce wastage.
- Take customer orders by telephone and coordinate on-time delivery.
- Plan and set up floral displays for special functions and events.

Florist

2021 — 2023

Wardit Al Banafsaj Flowers, Carrefour Yas Mall | Abu Dhabi, UAE

- Handled daily floral counter operations inside a high-traffic hypermarket, from opening setup to closing stock checks.
- Prepared ready-to-sell bouquets and made-to-order arrangements during peak hours and festive seasons.
- Maintained flower freshness through correct cutting, watering and chiller storage, keeping the counter display presentable all day.
- Advised customers on flower choice, colour combinations and care, turning enquiries into sales.

SIGNATURE SPECIALISM

Floral and carved-fruit centrepieces

Built as a single composition rather than two separate items — the floral structure rises from a base of fresh fruit, with a watermelon carved by hand as the focal point and the flowers chosen around it. Carvings are cut to the occasion.

Swan · Dove · Koi pair · Horse · Phoenix · Bird · Fish · Watermelon roses
